Richmond Heritage Commission (RHC)

Minutes of Meeting held Tuesday, July 29, 2014 at Carol Jameson's House

Attending: Carol Jameson, Chair; Susan Marsden; Bob Weekes, Sec'y

The meeting convened at 7 pm. Minutes of the previous meeting held on July 23, 2014, were approved as presented. Discussion followed on a report that had been prepared by Bob Weekes which summarized actions taken, and information gathered, by the Commission which has been researching the history of the granite watering trough located along the southern driveway to the Town Hall. It was agreed that Commission members would continue to contact people who may have information about this historical artifact. Carol Jameson will inform the Richmond Select Board (RSB) of what the Commission has learned at RSB's next meeting on Monday, August, 4, 2014.

In the meantime, RHC members will carefully excavate a section of earth below the center of the watering trough in an attempt to learn whether it rests on its original site or may possibly have been moved from same in the past.

Respectfully submitted,
Bob Weekes, Secretary
